An Interactive Panel Discussion

"Developing an EAP with your local EMS providers"

PHATS 2018 in Orlando, Florida

SAVE THE DATE - June 21st from 8:30-10:30am

All PHATS Associate Members are welcome to come participate in this interactive session focused on AT's developing an EAP / "On Ice Response Plan" with their local EMS providers.

A panel of fire department and ambulance company paramedics from the U.S. and Canada who currently provide EMS coverage during NHL games will facilitate the discussion.

Topics will include:

- 1) League Requirements
- 2) Budgetary Challenges
- 3) Limited Resources
- 4) How to integrate local EMS into your Sports-Med team

This session is FREE.

***There will be a Sports-Med team based EMS hands-on training session for all PHATS Members on June 22nd.**
